# ABOUT US

---

Established in 1982, Service Contracting Solutions is one of the largest and most stable commercial painting and waterproofing contractor in the state of Florida.

We are licensed, fully insured, bondable, and we responsibly adhere to all safety and environmental codes for your protection. Based on our stability and size, we are in the best position to offer our customers' long-term warranties and service for years to come.

**SERVICE** honors our ideals and the company's history. We believe great relationships with customers are earned based on high-quality service.

**CONTRACTING** emphasizes that we are not solely focused on painting. We perform a wide variety of services; our name will allow us the opportunity to expand into new industries as we continue to grow.

**SOLUTIONS** indicates that our core strength, beyond the specific services we provide, is, always has been, and will continue to be, helping our customers solve problems.

# WHY SCS?

---

## **STABILITY**

---

This is one of the most valued factors when considering a new career. With over 41 years of success in the painting and waterproofing industry, we are proud to offer that same sense of stability when it comes to your future with us.

## **DIVERSIFICATION**

---

Diversification throughout the construction industry allows the wheels to keep turning. At SCS, we take pride in the fact that we do not limit ourselves to one specific market, allowing us the ability to work through a challenging time in one market while showing strength in another - creating a continuous and steady workflow.

## **OPPORTUNITY**

---

Opportunity is always on the horizon; SCS seeks quality people with a positive outlook that exemplifies our core values. We look within for those who show a desire for growth and leadership and offer training to any employee wanting to grow with us.

# CAREERS

If you are looking for a company to learn and grow, we assure you that working for SCS is more than a job that pays the bills. Hard work and the desire to learn can get you far in our industry, and we love nothing more than watching you grow.

The construction industry is very dynamic and continues to change! At SCS, whether it be as an entry-level team member, field leadership, or a sales position that sparks your interest, we provide plenty of opportunities - allowing you to find your best career path!

“

*I have worked at SCS for over 17 years and it was just a job when I first started. As I got to know the people more, I realized that there was more of a family feel to the environment than that of a normal workplace. It is a place where you help your coworkers, and you know they will be there to help you.*

*Starting as a painter and moving on to become a job Foreman, there were many challenges to overcome. I was given the opportunity to become a Project Estimator, where I am responsible for bidding and measuring the material and labor needed for projects. My past experiences in the field have helped me in my role today. Someone looking for an opportunity to grow will definitely find that Service Contracting Solutions is the place to do it.*

*A great deal of my success is owed to the everyday help and support of the amazing team that has been cultivated by the company's owners, Liz and Burt, as well as their own individual help. SCS offers more than just a job - it is a place you can feel at home.*
